CLOUD - BASED ATTENDANCE MANAGEMENT SYSTEM

Attendance Management System on One-Click Report Solution

Cloud Based Attendance Management System which is an advanced designed for Realtime Data (PUSH data) devices to collect Attendance data.

Either work alone

as a data collection, work as a web-based function plug-in, would also be a nice choice. Under its user friendly UI, users can manage devices, employees, Payroll and most of the hardware and software setting just by several simple clicks. Besides that, some professional functions, such as real-time devices status monitoring, attendance and device log monitoring also available in this software. Can Export Report In Various Format Like PDF, Excel, word.

Cloud Software Feature:

- . Web Cloud-based Attendance and Payroll Management System
- . Attendance and Payroll Management System Through Android and IOS Application
- . Automatic Data synchronization.
- . Real-time Monitoring function
- . Advanced inter-regional Device Management System
- . Administrator and User authorization system
- . GPS Tracking and GPS Punching function
- . Employee login System

Software Specifications:

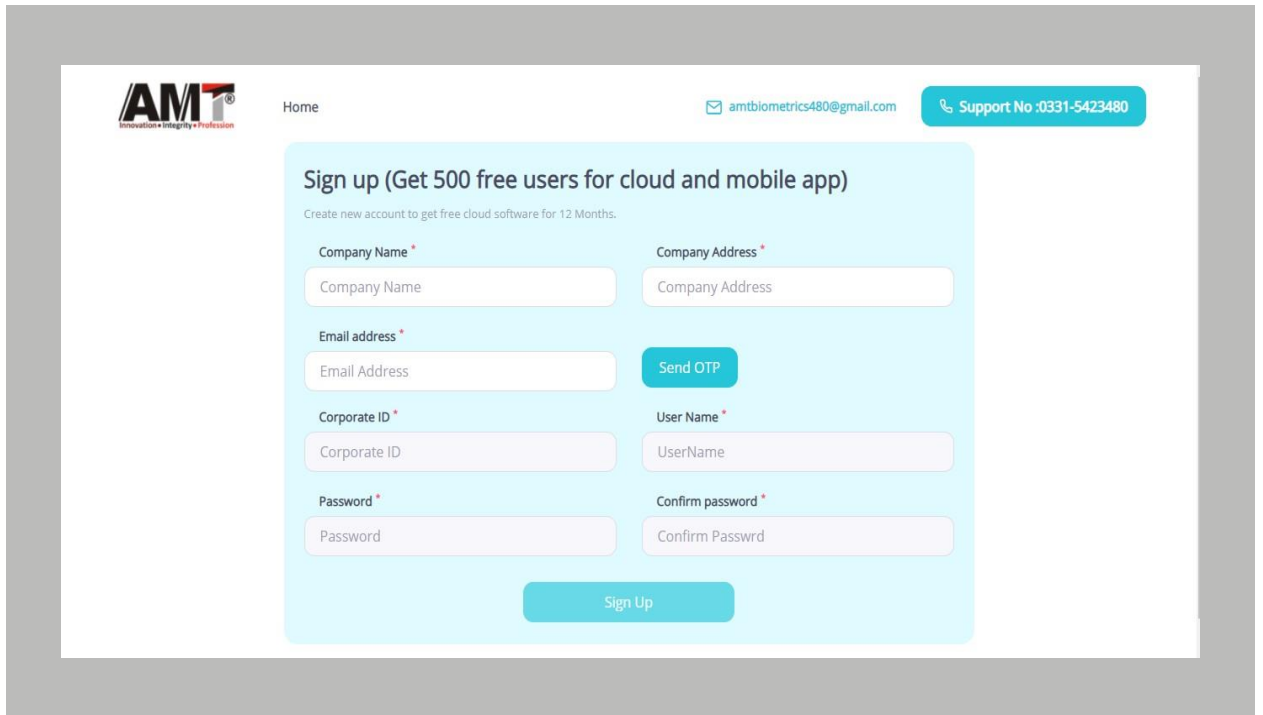

System Architecture :	Server/Browser
Database :	SQL Server2005/2008/2012/2014
Supported OS :	Windows7/8/10/Server 2008/2012 (32/64)
Suggested Browsers :	IE 8+/Firefox 11+/Chrome x+
Monitor Resolution :	1024 x 768 or Above

Hardware Requirements:

User :	500	1000	2000	5000	10000
RAM :	4GB	4GB	8GB	12GB	16GB
Processor :	i3	i5	i5	6 Core	6 Core
Hard Disk :	50GB	50GB	100GB	200GB	500GB

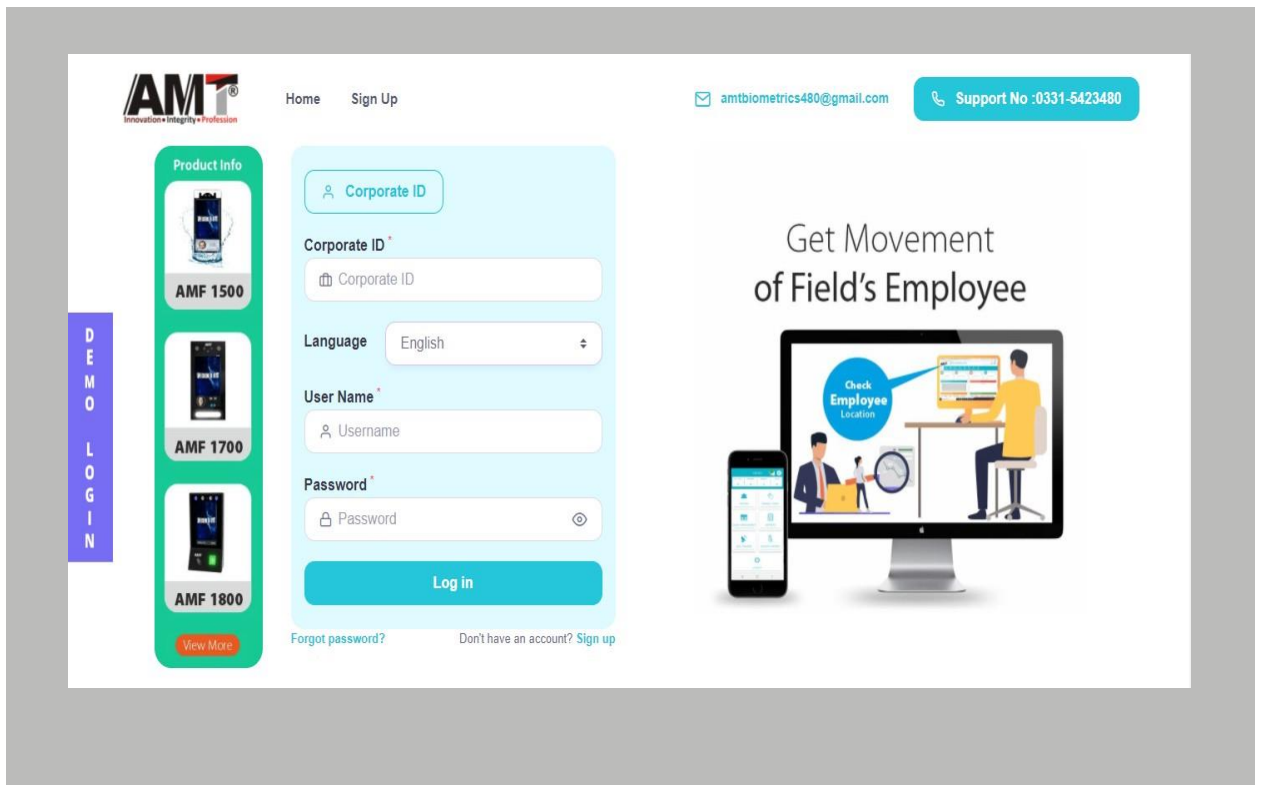

>> Sign-up an Account For New User

The screenshot shows the AMT Sign Up page. At the top left is the AMT logo with the tagline "Innovation • Integrity • Profession". To the right of the logo are links for "Home", "ambiotronics480@gmail.com", and "Support No :0331-5423480". The main heading is "Sign up (Get 500 free users for cloud and mobile app)" with a sub-heading "Create new account to get free cloud software for 12 Months." The form contains the following fields: "Company Name", "Company Address", "Email address", "Corporate ID", "User Name", "Password", and "Confirm password". A "Send OTP" button is located next to the email field. A "Sign Up" button is at the bottom of the form.

>> Login Software with Login Name, User Name and Password

The screenshot shows the AMT Login page. At the top left is the AMT logo with the tagline "Innovation • Integrity • Profession". To the right of the logo are links for "Home", "Sign Up", "ambiotronics480@gmail.com", and "Support No :0331-5423480". On the left side, there is a vertical purple bar with the text "DEMO LOGIN" and a "Product Info" section featuring three mobile devices labeled "AMF 1500", "AMF 1700", and "AMF 1800" with a "View More" button. The main login form includes a "Corporate ID" search field, a "Corporate ID" input field, a "Language" dropdown menu set to "English", a "User Name" input field, and a "Password" input field with a toggle for visibility. A "Log in" button is at the bottom of the form. Below the button are links for "Forgot password?" and "Don't have an account? Sign up". On the right side, there is a graphic with the text "Get Movement of Field's Employee" and an illustration of a person at a computer monitor displaying a "Check Employee Location" interface, with a smartphone in the foreground.

>> Add Edit Machine :

- In Add Edit Machine Option We can Add Devices and Manage also

The screenshot shows the 'Add/Edit Machine' form in the AMT Attendance Management System. The form is titled 'Add/Edit Machine' and includes the server IP '185.206.145.14'. It contains several input fields and dropdown menus for configuring a machine.

Field	Value
Machine No*	1
Machine Type	AMF 50
Serial No	AMF20004640
Port No.	99
Machine Name	chek 1
Branch Name*	Head Office
Select Country Time Zone*	(UTC+05:00) Islamabad
In/Out Only for Access Control	In/Out

At the bottom of the form, there are two buttons: 'Save' (green) and 'Cancel' (red).

>> Hardware Setup for Fingerprint :

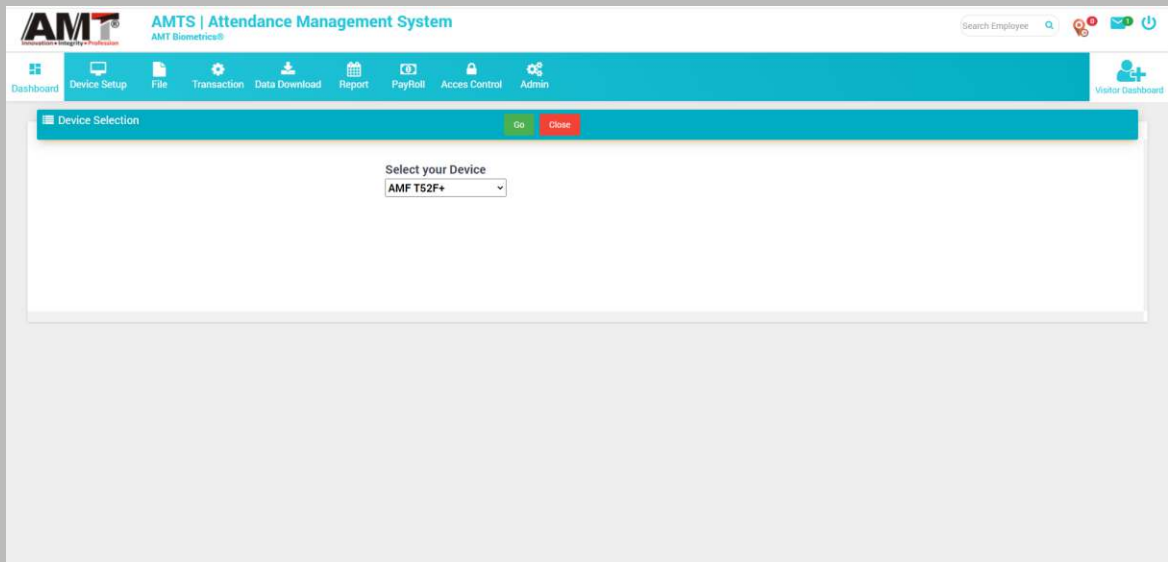

- In Hardware Setup user can Manage Devices.
(Download and Upload Enrolled Data, Remove Admin, Upload Name and Card in device etc)

The screenshot shows the 'User Manager' interface in the AMT Attendance Management System. It displays a table of enrolled users for a specific device (AMF20004640 / chek 1). The table has columns for 'Select', 'EnrollNumber', 'FingerNumber', 'Privilege', 'pwd', and 'Enroll Data'. There are 7 rows of data, each with a checked 'Select' box. Below the table, there are buttons for 'Upload in Device' and 'Set Time'. The 'Upload in Device' button is highlighted in red.

- Define Holiday
- Parameters Setting

>> Company :

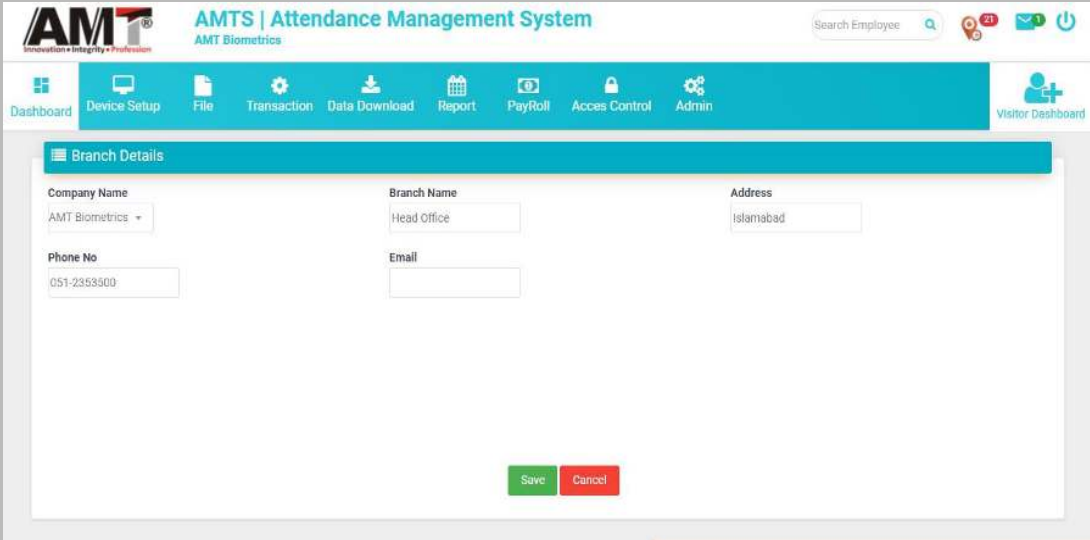

- in Company Master we can Design Schedule of Employees.

The screenshot displays the 'Company Details' form within the AMTS | Attendance Management System. The interface includes a top navigation bar with the AMT logo and system name, a search bar for employees, and a menu with options like Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin. The form itself is divided into several sections: 'Company Details' with fields for Company Name, Address, Email Address, and Phone No; 'Company Contact Details' with fields for Description, VAT No, PF NO, Tax No, Tin No, and Registration No; 'Define Addition Heads' with fields for Head1 through Head10; and 'Fixed Deduction Heads' with fields for Head1 through Head5. The form is currently populated with 'AMT Biometrics' as the company name and 'Shuja center 6/10 Marka' as the address.

>> Branch :

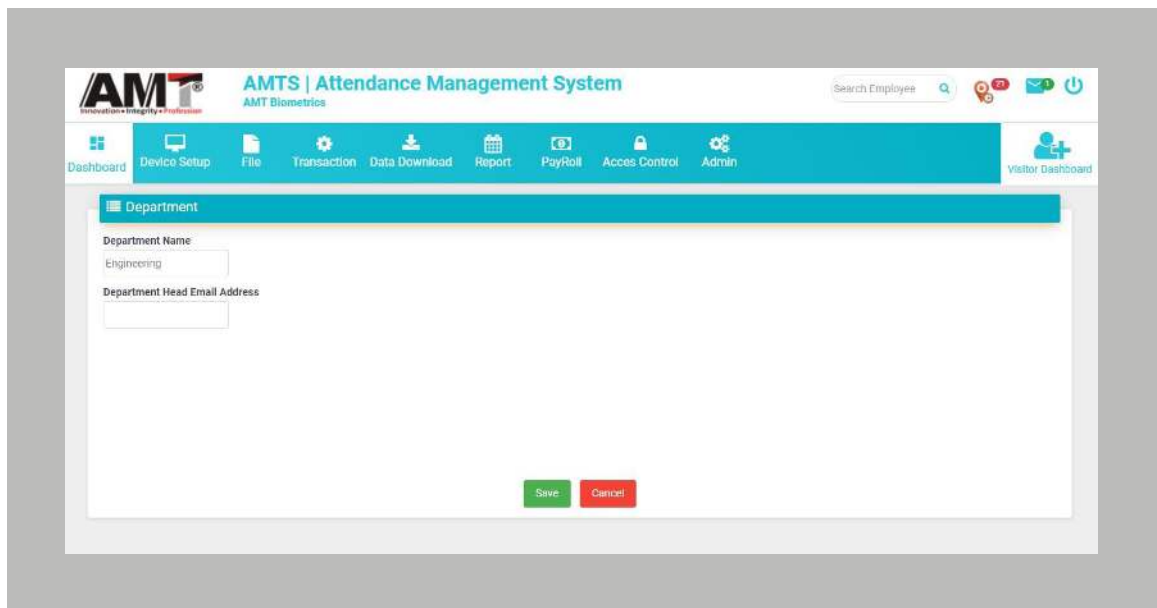

- In Branch Master We can add Multiple Branches of company

The screenshot displays the 'Branch Details' form within the AMTS | Attendance Management System. The interface is consistent with the previous screenshot, showing the same top navigation bar and menu. The form is divided into sections: 'Company Name' with a dropdown menu set to 'AMT Biometrics'; 'Branch Name' with a text field containing 'Head Office'; 'Address' with a text field containing 'Islamabad'; 'Phone No' with a text field containing '051-2353300'; and 'Email' with an empty text field. At the bottom of the form, there are 'Save' and 'Cancel' buttons.

>> Department:

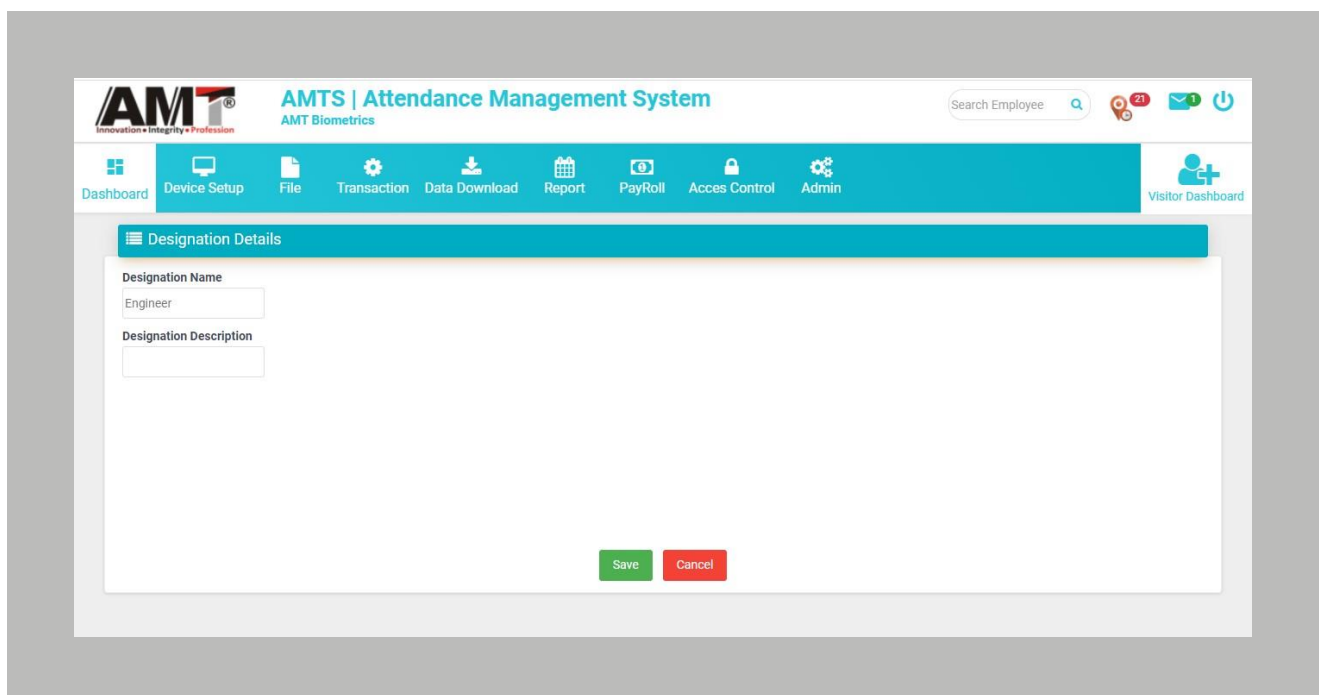

- In Department Master we can Add department for assign to employee

The screenshot shows the 'Department' form in the AMTS Attendance Management System. The form has a teal header with the AMT logo and system name. Below the header is a navigation bar with icons for Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Acces Control, and Admin. The main form area contains two input fields: 'Department Name' with the value 'Engineering' and 'Department Head Email Address'. At the bottom of the form are 'Save' and 'Cancel' buttons.

>> Designation :

- In Designation Master we can add designation fo assign to employee

The screenshot shows the 'Designation Details' form in the AMTS Attendance Management System. The form has a teal header with the AMT logo and system name. Below the header is a navigation bar with icons for Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Acces Control, and Admin. The main form area contains two input fields: 'Designation Name' with the value 'Engineer' and 'Designation Description'. At the bottom of the form are 'Save' and 'Cancel' buttons.

>> Office Time Policy :

- In Office Time Policy we can make a Employee working Policy
(Example: Permitted Late Arrival, Permitted Early Departure, Half Day & Absent
For Late Arrival & Early Departure, Other Employee Policy Details etc)

>> Employee List :

- In Employee Master we can add Employee

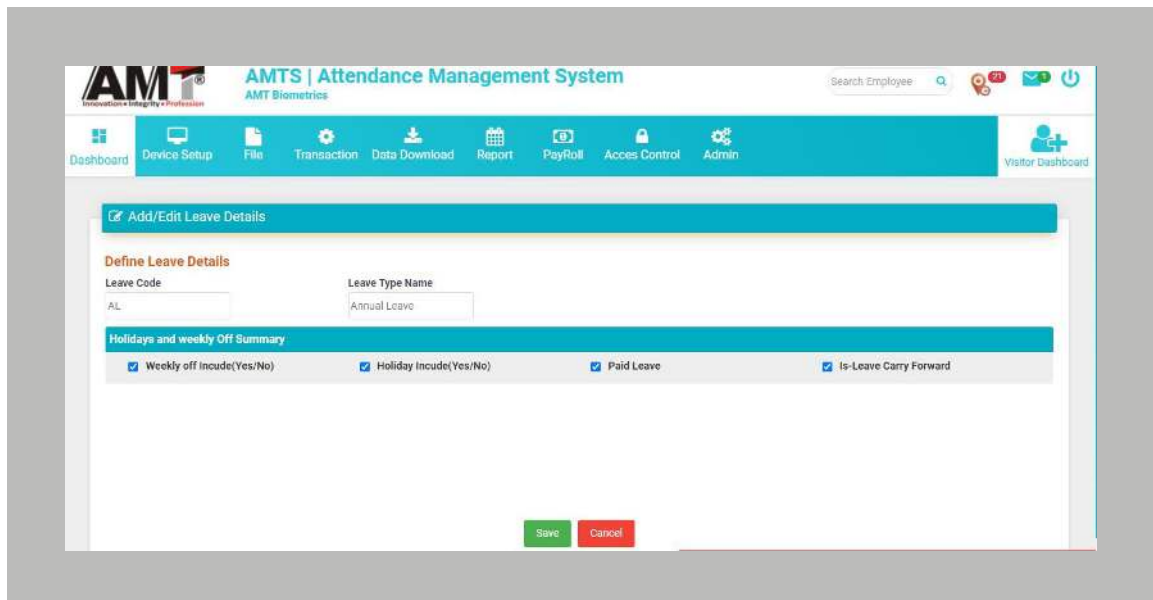

(Note : we can add Multiple Employees at a time through CSV Templates)

>> Define Leave :

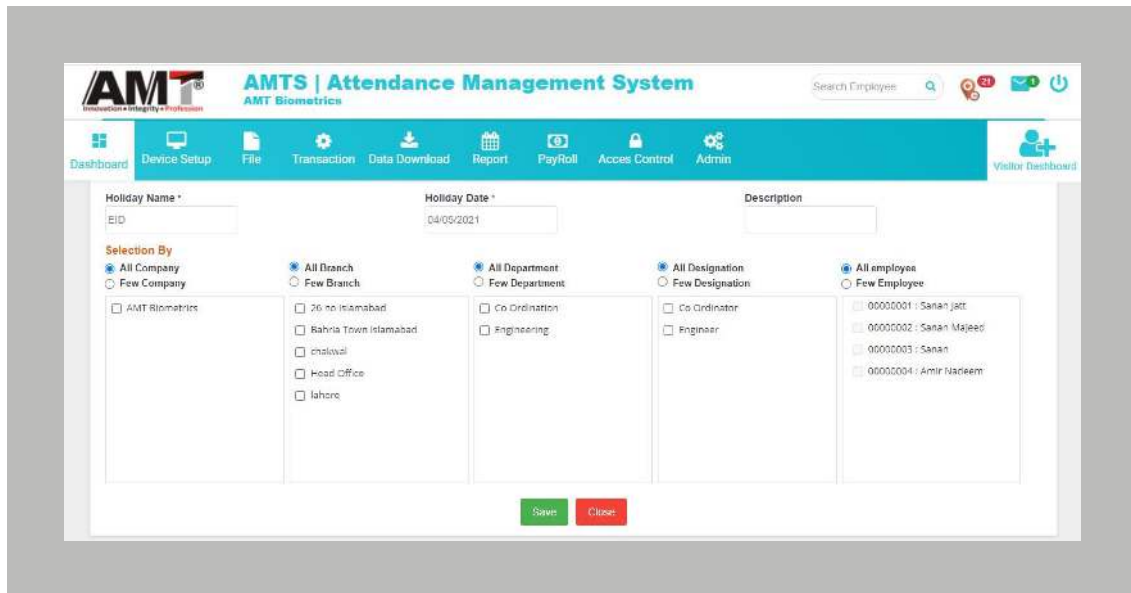

- We can Add Leave and assign to Employees

(Note : We can Add Leave and do Paid leave or not, Weekly Off Include or not, Holiday include or not etc.)

>> Holiday:

- we can add National or Religious Holiday for employees

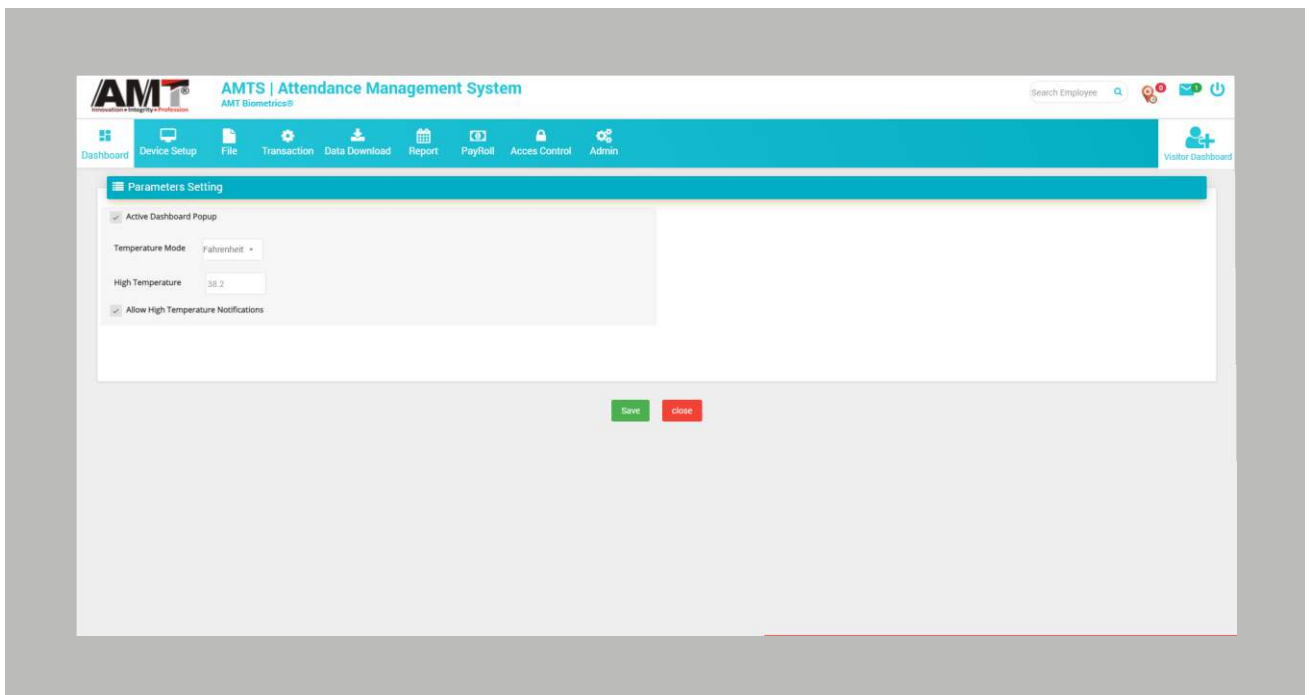

The screenshot displays the AMTS | Attendance Management System interface. The top navigation bar includes the AMT logo, the system name, a search bar, and notification icons. Below the navigation bar is a menu with options: Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin. The main content area is titled "Holiday Name" and contains the following fields and options:

- Holiday Name:** EID
- Holiday Date:** 04/05/2021
- Description:** (empty field)
- Selection By:**
 - All Company
 - Few Company
- Branch Selection:**
 - All Branch
 - Few Branch
- Department Selection:**
 - All Department
 - Few Department
- Designation Selection:**
 - All Designation
 - Few Designation
- Employee Selection:**
 - All employee
 - Few Employee

Below these selection options are five columns of checkboxes for specific branches, departments, designations, and employees. At the bottom of the form are "Save" and "Close" buttons.

>> Parameters Setting :

The screenshot displays the AMTS | Attendance Management System interface with the "Parameters Setting" form open. The top navigation bar and menu are identical to the previous screenshot. The "Parameters Setting" form contains the following options and fields:

- Active Dashboard Popup
- Temperature Mode:** Fahrenheit
- High Temperature:** 98.2
- Allow High Temperature Notifications

At the bottom of the form are "Save" and "Close" buttons.

Transaction Menu

- Leave Opening Entry
- Leave Application
- Leave Approval
- Shift Change
- Generate Shift
- Shift Roaster
- Manual Punch
- Approve GPS Punch:
- Attendance Process

The screenshot displays the AMTS | Attendance Management System interface. The top navigation bar includes the AMT logo, the system name, and a search bar. Below the navigation bar, the 'Transaction' menu is open, listing options such as Leave Opening Entry, Leave Application, Leave Approval, Shift Change, Generate Shift, Shift Roaster, Manual Punch, Approve GPS Punch, Approve Manual Punch, and Attendance Process. The main dashboard area shows several key metrics: Total Employee (0), Total Absent Employee (4), and Total Late Employee (0). There are also charts for Department Attendance and Department wise Absent, and sections for Today's and Last Machine Connection Status.

Buttons: Save, Cancel

>0> Leave Approval :

- 10In Leave Approval Option Admin can Approve Leave

The screenshot displays the 'Add/Edit Leave Application' form within the AMTS | Attendance Management System. The form is divided into several sections:

- Employee Details:** Includes fields for Employee Code, Employee Name (Sanan Majeed), Card No. (00000002), From Date (15/08/2021), Father/Husband Name (Abdul Majeed), Department (Engineering), To Date (20/08/2021), Designation (Engineer), Email Address (sananjum18@gmail.com), and Company (AMT Biometrics).
- Leave Details:** Includes Leave Name (Casual Leave) and Reason (ceremony).
- Leave Duration:** Includes radio buttons for Half Day and Full Day.

At the bottom of the form, there are 'Save' and 'Cancel' buttons.

>> Shift Change :

- In Shift Change Option We can Change Employee's Shift
(Note : No Need to Generate Shift after Change Shift)

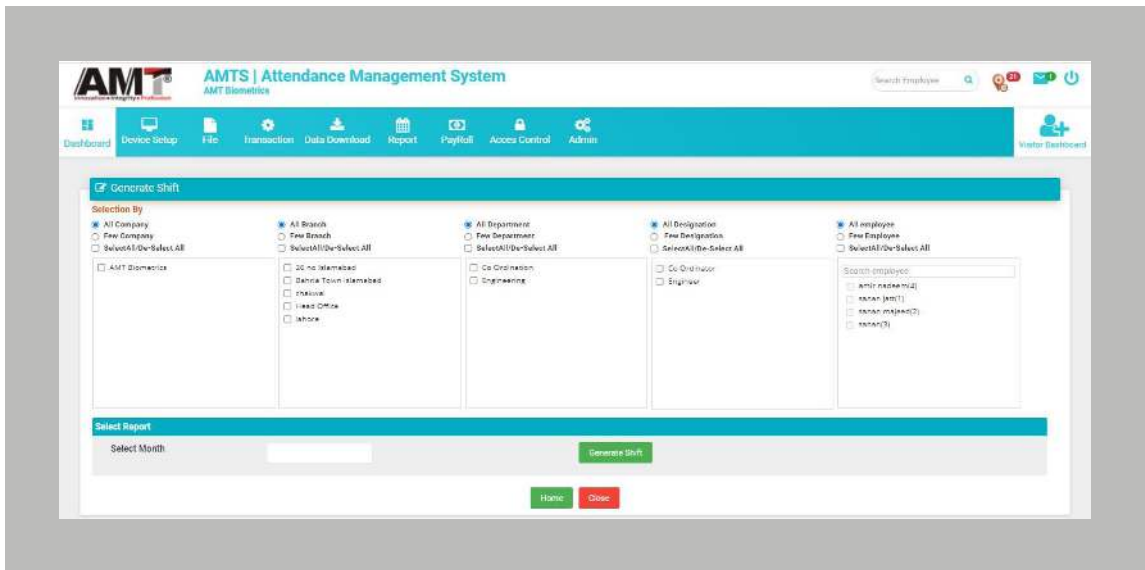

The screenshot displays the 'Change Shift' form within the AMTS | Attendance Management System. The form is divided into several sections:

- Selection By:** Includes radio buttons for All Company, Few Company, Select All/De-Select All, All Branch, Few Branch, Select All/De-Select All, All Department, Few Department, Select All/De-Select All, All Designation, Few Designation, Select All/De-Select All, and All employee, Few Employee, Select All/De-Select All.
- Branches:** Includes checkboxes for AMT Biometrics, 26 no Islamabad, Bahria Town Islamabad, Chakwal, Head Office, and Lahore.
- Departments:** Includes checkboxes for Co Ordination and Engineering.
- Designations:** Includes checkboxes for Co Ordinator and Engineer.
- Employee Search:** Includes a search field and a list of employees: amir nadeem(4), sanan jatt(1), sanan majeed(2), and sanan(3).
- Change Shift by Roaster:** Includes a 'From Date' field (Select First Date of the Month) and a 'To Date' field (date should belongs from same month).
- Change Shift By Date Range:** Includes a 'Load' button.

At the bottom of the form, there is a 'Shifts Details' section.

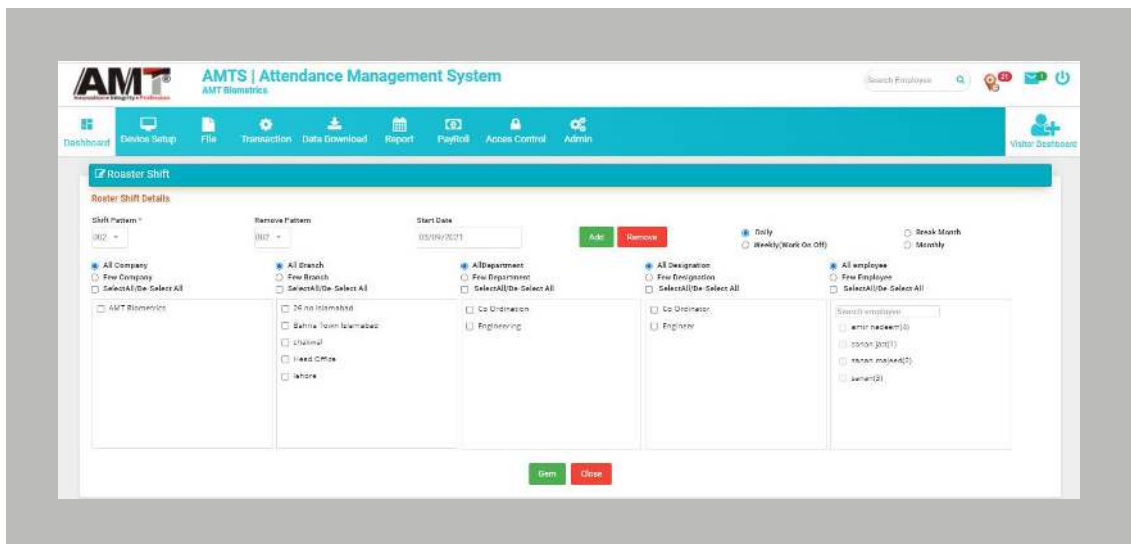

>> Generate Shift:

- In Generate Shift Option User can generate shift of Employees

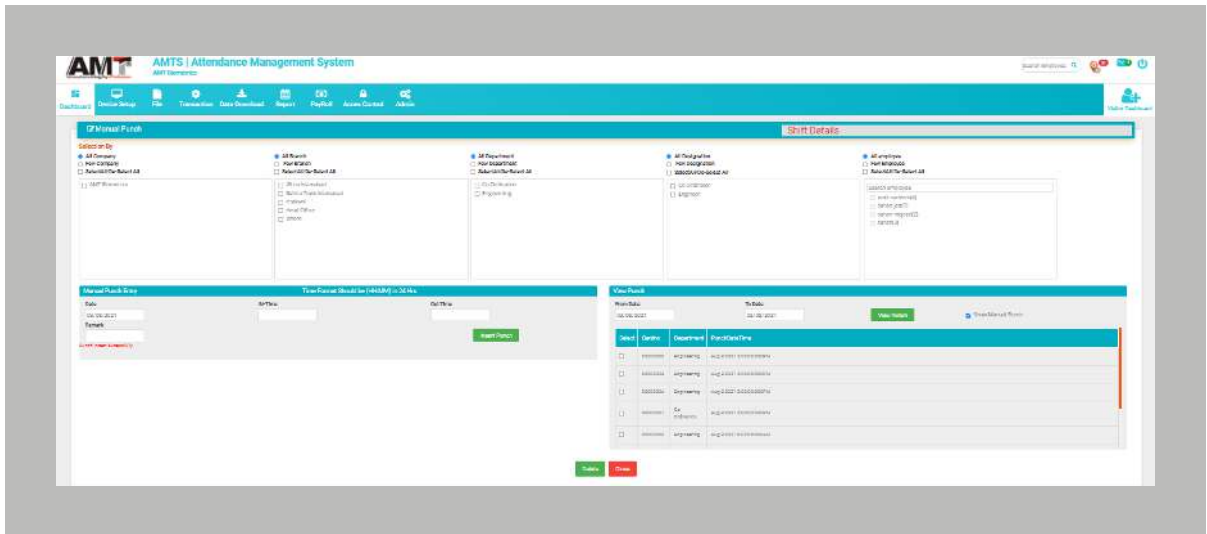

>> Shift Roaster :

- In Shift Roaster Option User can Assign Rotational Shift for Employees

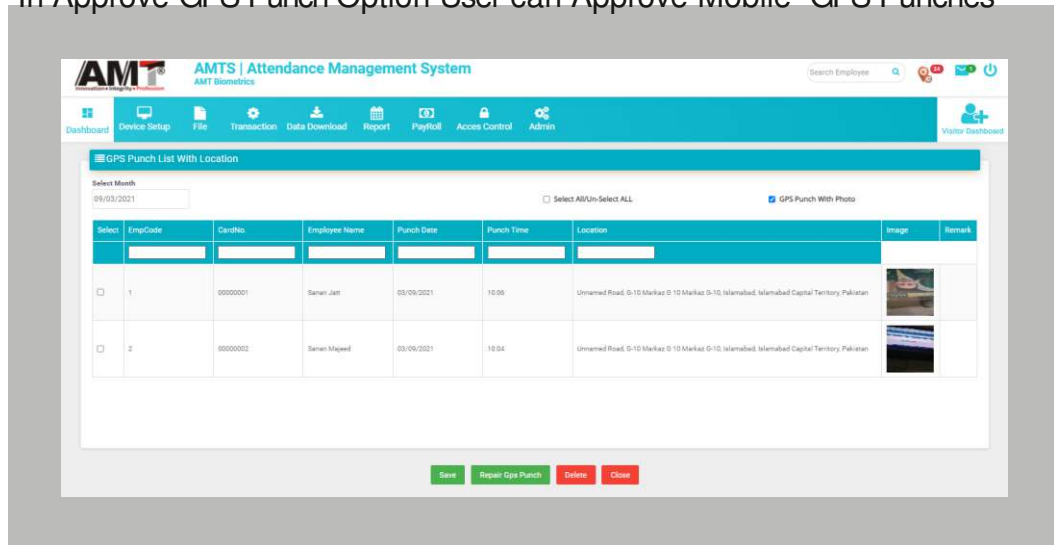

>> **Manual Punch :**

- In Manual Punch Option User can assign manual punches to employees and show his punches.

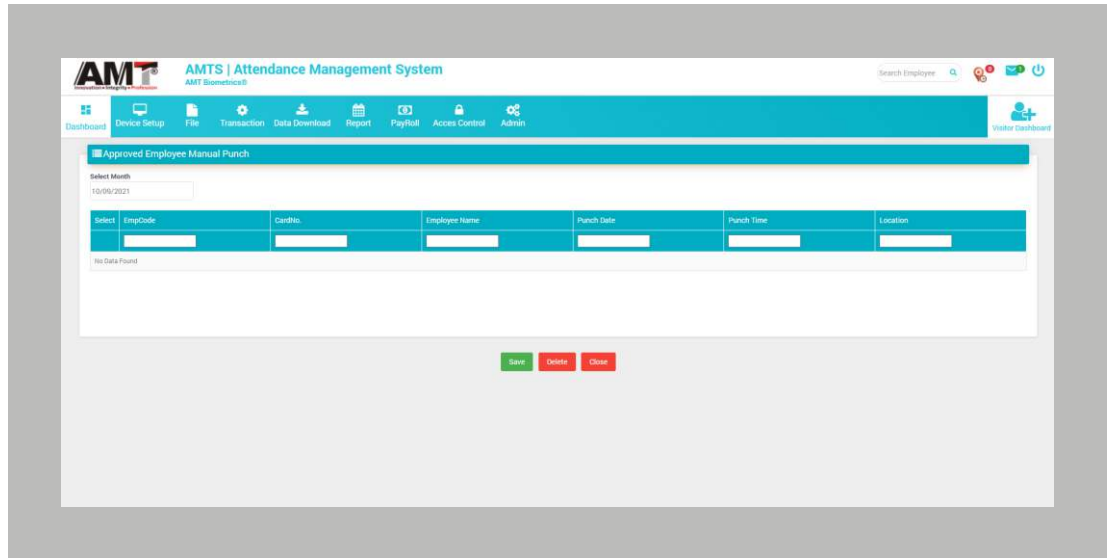

>> **Approve GPS Punch:**

- In Approve GPS Punch Option User can Approve Mobile GPS Punches

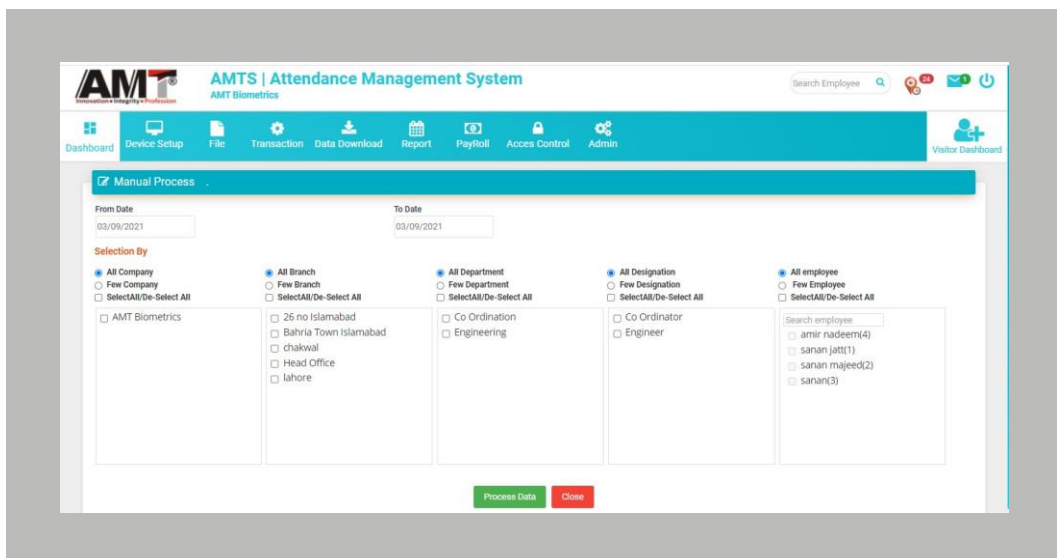

>> Approval Manual Punch :

>> Attendance Process :

- In Attendance Process Option User can Process Attendance Data of Employees

Data Download

- Download Log From Fingerprint
- Upload AGL File

>> Download Log From Fingerprint:

- In Download Log From Fingerprint option we can download Device log Manually

also

(Note: All Device Data will Sync Automatically)

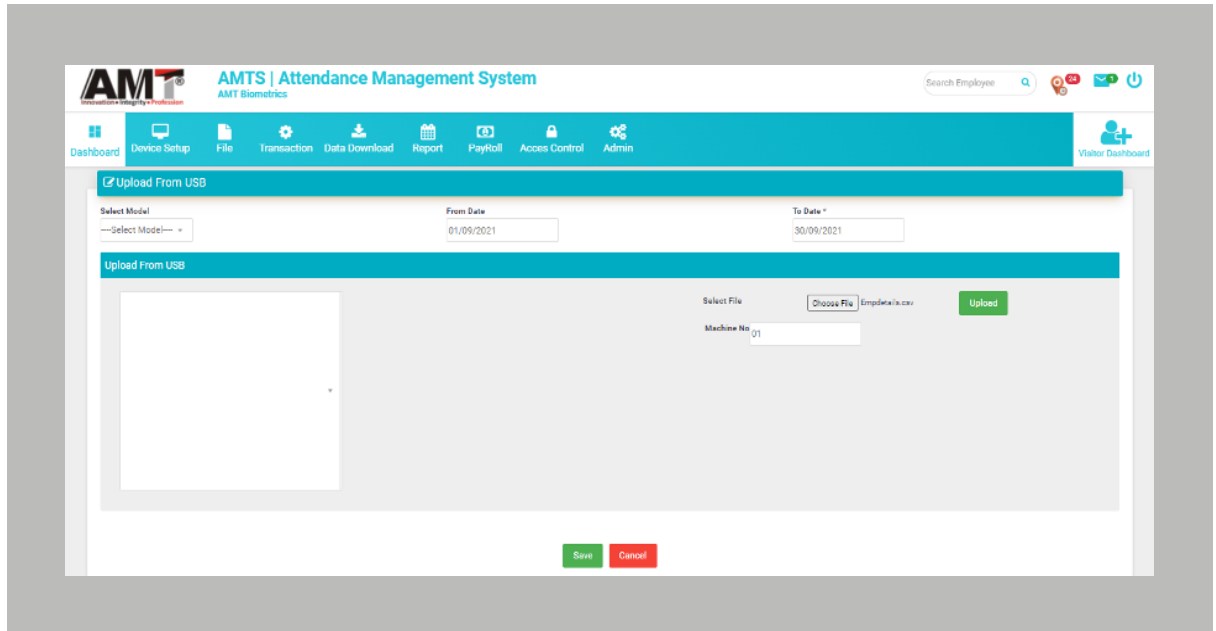

The image displays two screenshots of the AMTS Attendance Management System interface. The top screenshot shows the main dashboard with the 'Data Download' menu highlighted. The dashboard includes several summary cards: 'Total Employee' (4), 'Total Present Employees' (0), 'Total Absent Employee' (4), and 'Total Late Employee' (0). There are also two charts: 'Department Attendance Chart' and 'Department wise Absent Chart'. Below the charts are two tables: 'Today's Machine Connection Status' (showing 'No Record Found') and 'Last Machine Connection Status' (showing two machines).

The bottom screenshot shows the 'Device Selection' dialog box. It has a 'Select your Device' dropdown menu with 'AMF T52F+' selected. There are 'Go' and 'Close' buttons at the top right of the dialog.

>> Upload AGL File:

- In This Option we can upload device log data in software manually through

AGL file.

The screenshot displays the AMTS | Attendance Management System interface. The header includes the AMT logo and the text 'AMTS | Attendance Management System' and 'AMT Biometrics'. A search bar for 'Search Employee' is visible. The main navigation menu contains: Dashboard, Device Setup, File, Transaction, Data Download, Report, Payroll, Access Control, and Admin. A 'Visitor Dashboard' link is also present. The 'Upload From USB' section is active, showing a 'Select Model' dropdown menu, 'From Date' (01/09/2021) and 'To Date' (30/09/2021) input fields. Below this, there is a 'Select File' section with a 'Choose File' button and a file name 'Empdata.xls.csv', and an 'Upload' button. A 'Machine No' field contains the value '01'. At the bottom of the form, there are 'Save' and 'Cancel' buttons.

Report

- Master Report
- Daily Report
- Monthly Report
- Leave Report
- GPS Report
- Staff Temperature Report
- Visitor Temperature Report

The screenshot displays the AMTS Attendance Management System dashboard. The interface includes a top navigation bar with the AMT logo and the text 'AMTS | Attendance Management System' and 'AMT Biometrics'. A search bar for employees is located in the top right corner. Below the navigation bar, there are several key performance indicators (KPIs) and reports:

- Total Employee:** 4
- Total Absent Employee:** 4
- Total Late Employee:** 0

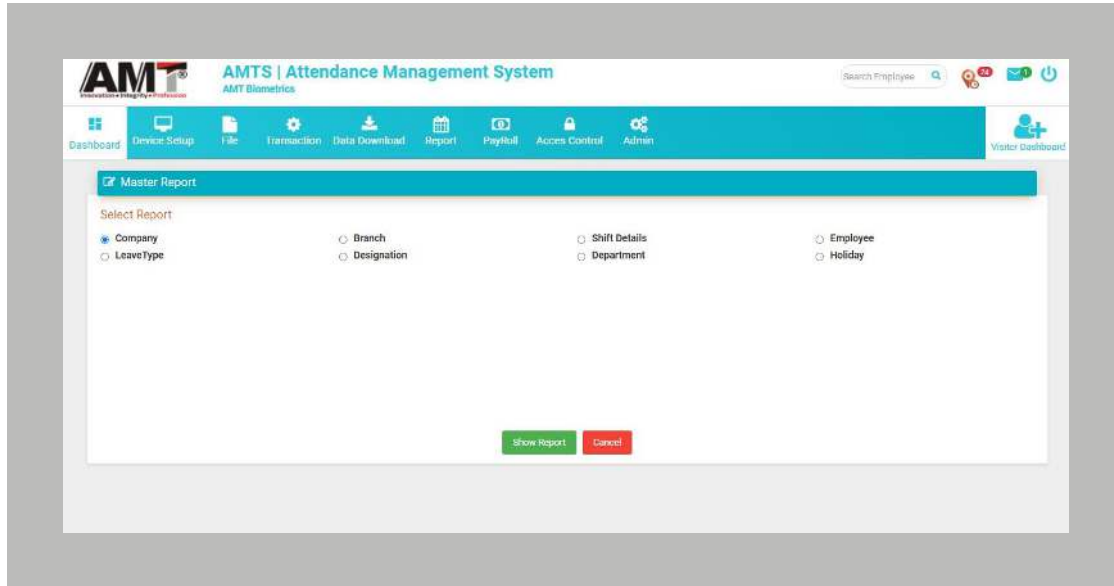

The dashboard also features several charts and reports:

- Department Attendance Chart:** A 3D bar chart showing attendance for 'Co Ordinat' and 'Engineerin'.
- Department wise Absent Chart:** A 2D bar chart showing absent employees for 'Co Ordin' and 'Engineer'.
- Today's Machine Connection Status:** A table with columns: S.N., Machine-No, Location, Total Log-Downloaded, Last-OnLine Status. It shows 'No Record Found'.
- Last Machine Connection Status:** A table with columns: Machine-No, Machine Type, Machine Serial No, Branch Name, Last-OnLine. It shows two records:

Machine-No	Machine Type	Machine Serial No	Branch Name	Last-OnLine
1	AMF 20	AMF200004640	chek 1	09/02/2021 11:34:00

>> Daily Access Activity :

The screenshot shows the AMTS | Attendance Management System interface. The top navigation bar includes the AMT logo, the system name, a search bar for employees, and a power icon. Below the navigation bar is a menu with options: Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin. The main content area is titled 'Daily Access Activity' and is currently empty. At the bottom of the main content area, there are three buttons: 'Open Close Gate' (green), 'Export In Excel' (green), and 'Close' (red).

>> Upload TimeZone :

The screenshot shows the AMTS | Attendance Management System interface for the 'Upload Time Zone' page. The top navigation bar and menu are the same as in the previous screenshot. The main content area is titled 'Upload Time Zone' and contains two tables for configuring time zones.

Day Pass Time Zone

Time Zone	Start Time	End Time
TimeZone1	00:00	00:00
TimeZone2	00:00	00:00
TimeZone3	00:00	00:00
TimeZone4	00:00	00:00
TimeZone5	00:00	00:00
TimeZone	1 ▾	

Week Pass Time Zone

Day	Start Time	End Time
Sun	0	0
Mon	0	0
Tue	0	0
Wed	0	0
Thu	0	0
Fri	0	0
Sat	0	0
Week Time Zone	1 ▾	

At the bottom of the page, there is a 'Device' section with a dropdown for Device, fields for Serial No., and a Status indicator with a red dot. There are 'Connect' (green) and 'Exit' (red) buttons at the bottom.

>> Upload User Rights :

The screenshot displays the AMTS | Attendance Management System interface. The top navigation bar includes options: Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin. The main content area is titled 'Connect Device' and features a 'Devices' dropdown menu. Below this is a 'Device Info' table with columns for ID, Employee Name, Card no., Emp. Code, Dept. Name, WeekPassTime1, WeekTimeZone2, WeekTimeZone3, WeekTimeZone4, Validity Start, and Validity End. The table contains two rows of data for employees Sanan Majeed and Sanan Jatt. At the bottom of the window are 'Connect' and 'Close' buttons.

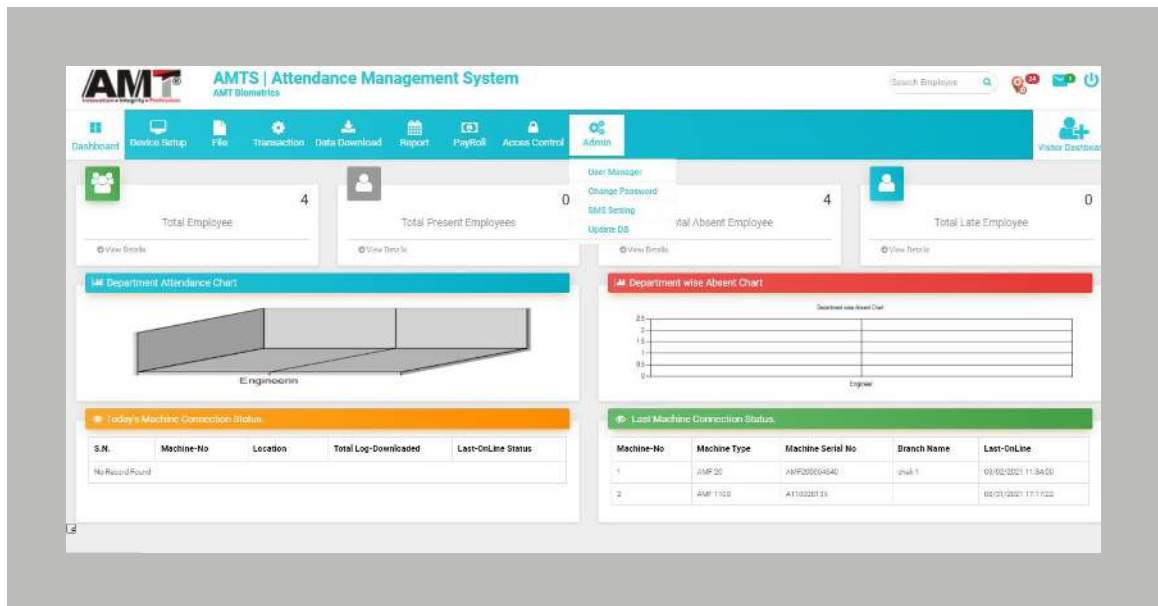

ID	Employee Name	Card no.	Emp. Code	Dept. Name	WeekPassTime1	WeekTimeZone2	WeekTimeZone3	WeekTimeZone4	Validity Start	Validity End
	Sanan Majeed	00000001	01	Engineering	1	1	1	1	30/09/2021	30/09/2021
	Sanan Jatt	00000002	02	Engineering						

>> Daily Access Report :

The screenshot displays the AMTS | Attendance Management System interface. The top navigation bar includes options: Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin. The main content area is titled 'Daily Access Activity' and features a 'Report Date' input field set to '10/08/2021'. At the bottom of the window are 'Open Close Gate', 'Export In Excel', and 'Close' buttons.

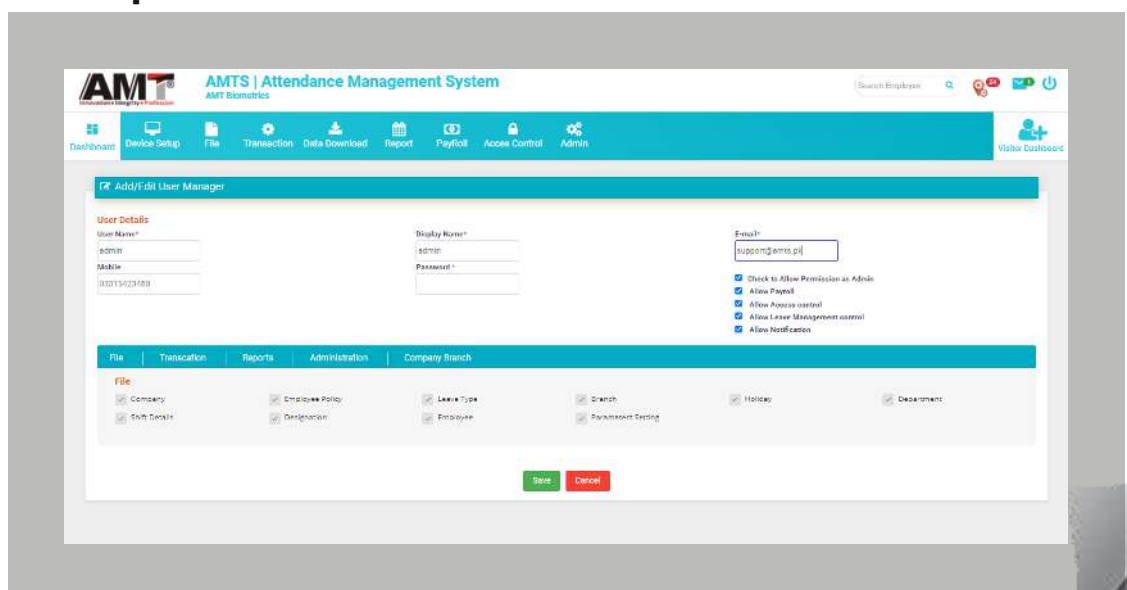

Admin

- User Manager
- Change Password
- SMS Setting
- Mobile Notification

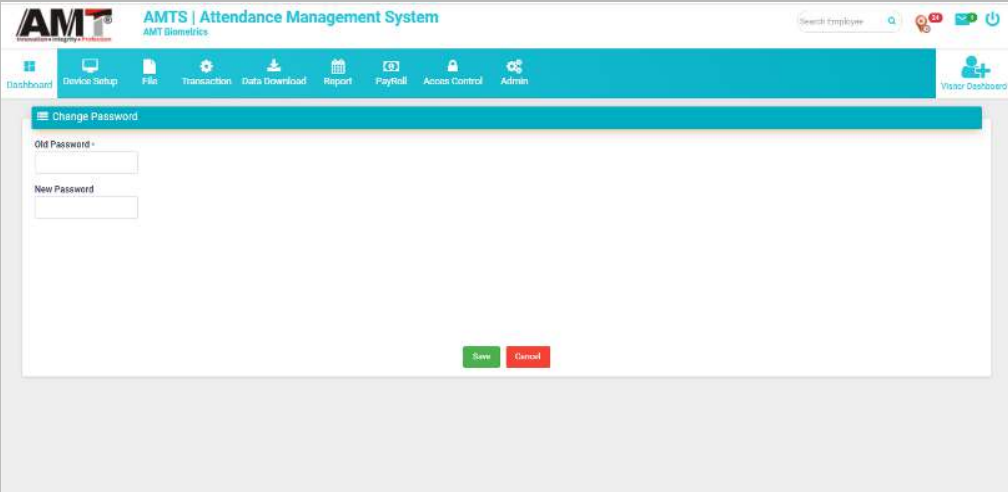

>> User Manager:

- In User Manager Option User can Add more than one user and manage his access permission

>> Change Password:

- In Change Password option user can change Login User Password

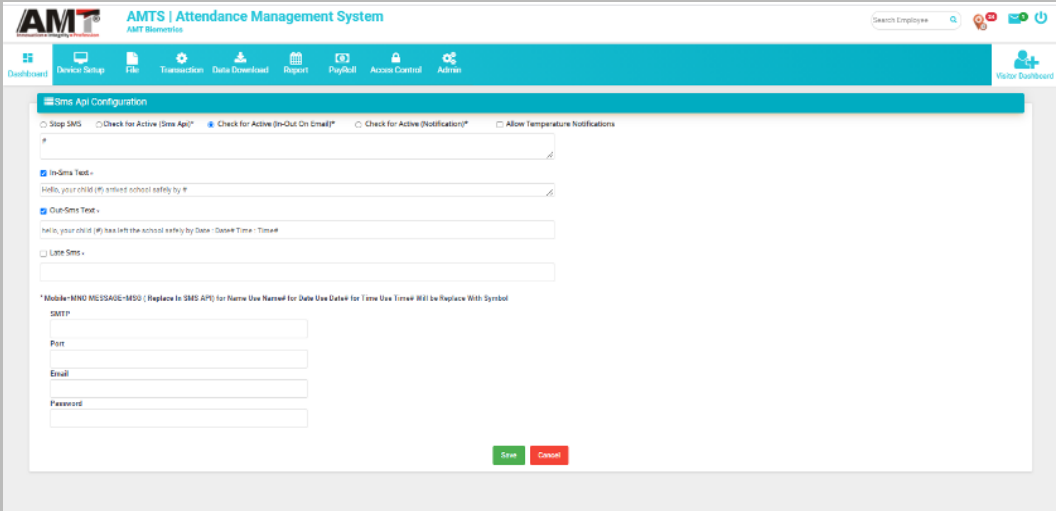

The screenshot shows the 'Change Password' form within the AMTS | Attendance Management System. The form has a teal header with the title 'Change Password'. Below the header, there are two input fields: 'Old Password' and 'New Password'. At the bottom of the form, there are two buttons: a green 'Save' button and a red 'Cancel' button. The system's navigation menu is visible at the top, including options like Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin.

>> SMS Setting :

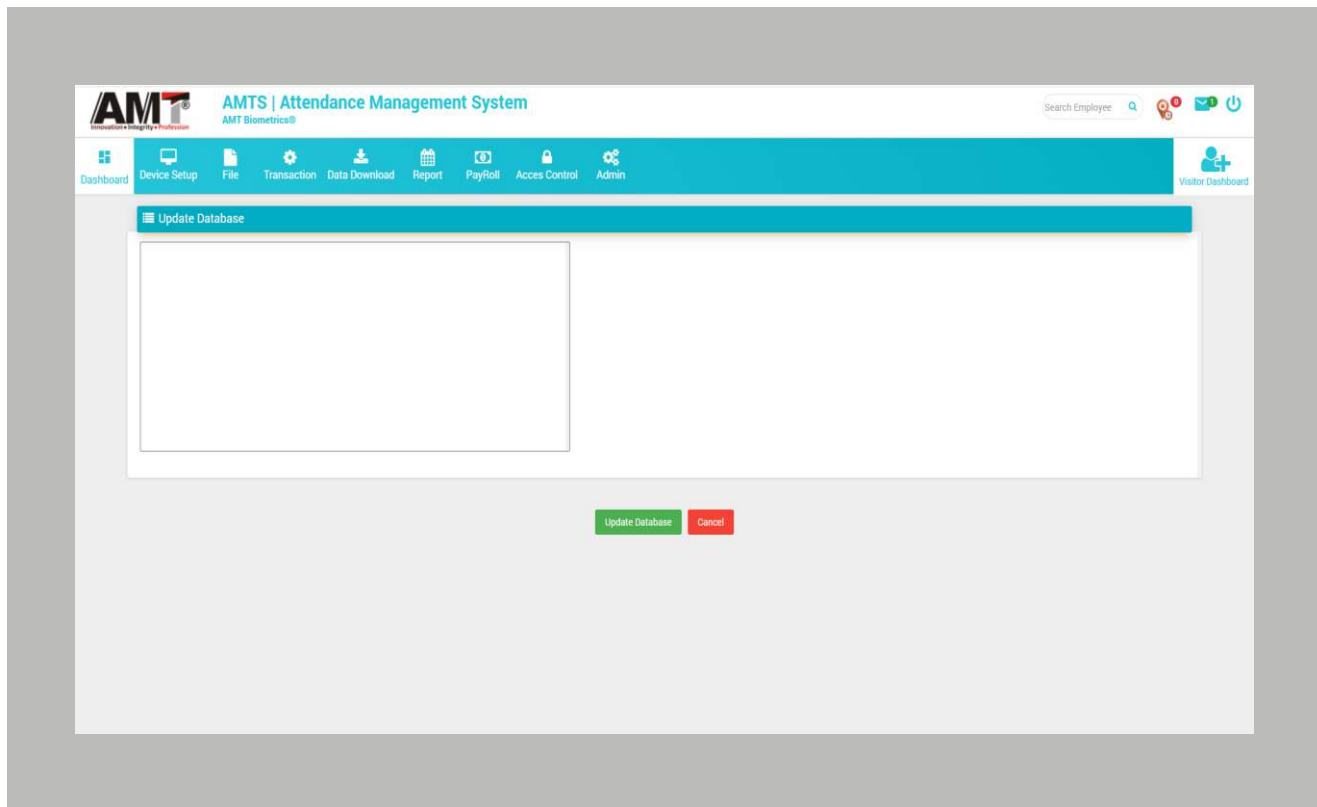

- In SMS Setting User can configure SMS API and send IN, Out and Absent SMS to Employees Mobile Numbers.

(Note: User can Enable Email Setting; in email setting Admin can get all Employee in out report automatically).

The screenshot shows the 'SMS Api Configuration' form within the AMTS | Attendance Management System. The form has a teal header with the title 'SMS Api Configuration'. Below the header, there are several sections for configuration. The first section has radio buttons for 'Stop SMS', 'Check for Active (Sms Api)*', 'Check for Active (In-Out On Email)*', 'Check for Active (Notification)*', and 'Allow Temperature Notifications'. The second section is for 'In-Sms Text' with a text area containing 'Hello, your child (F) arrived school safely by #'. The third section is for 'Out-Sms Text' with a text area containing 'Hello, your child (F) has left the school safely by Date: Date* Time: Time*'. The fourth section is for 'Lmt-Sms' with a text area. Below these sections, there are fields for 'SMPP' configuration: 'Port', 'Email', and 'Password'. At the bottom of the form, there are two buttons: a green 'Save' button and a red 'Cancel' button. The system's navigation menu is visible at the top, including options like Dashboard, Device Setup, File, Transaction, Data Download, Report, PayRoll, Access Control, and Admin.
